Elsteel Library - Bug #2346

Incorrect revision number

10/29/2025 04:53 PM - Andres Galavis

Status:	Resolved	**Start date:**	10/29/2025
Priority:	Normal	**Due date:**	
Assignee:	Malith Batugedara	**% Done:**	0%
Category:		**Estimated time:**	0.00 hour
Target version:			

Description

I uploaded the attached document and then ran the clear properties flow, but the revision number of the document was set to 1 even though it was a new document.
The link for the document in the library is the following
https://elsteelgroup.sharepoint.com/:x:/r/Shared%20Documents/SC-FO-008%20-%20Premier%20Freight%20Approval%20%5Brev.0%5D.xlsx?d=w69397e90a13b408cbd294695a6b4bf2c&csf=1&web=1&e=tZKoaL

History

#1 - 10/30/2025 03:05 AM - Malith Batugedara

For a status->draft and other properties null(Published, Effective Date, Next Review, Approved, Approved By) we don't need to run "clear properties" flow.

#2 - 11/03/2025 10:06 AM - Malith Batugedara

- Status changed from New to Resolved
